Running your event in seven simple steps

Fundraising can seem a bit daunting when you first start, but all it takes is a little planning to bring your fundraising idea to life and start raising money! We’ve put together seven simple steps to help.

If you need advice at any stage, please give us a call on 020 7549 3175. Or, our contact details can be found at the bottom of each page.

STEP 1
Choose your event

• You can do absolutely anything to raise funds for us, from an organised cycle ride to a black-tie ball. See pages 6-9 for inspiration.

STEP 2
Choose a location and date

• Planning your event can take time, so the earlier you can start the better! Think about the date early on.

• Do you need a venue? For a small gathering it could happen at home or in a village hall. Thinking bigger? A school, licensed venue or your local YMCA may work.

• You could ask the venue for a discounted rate in return for some promotion when you let them know it’s for charity. People are very generous, so we’d recommend asking.

STEP 3
Ask for Help

• Recruit your family and friends to help, giving each of them a specific task.

• Ask local businesses to donate raffle prizes, donations or gifts in kind, offering them publicity in return.

• The friendly, personal approach works best. Fundraising is always a great way to find out how brilliant and generous people are!

STEP 4
Set a Target

• Set a target for how much you’d like to raise and work out an estimate of any costs involved.

• Remember, every penny of profit makes an important difference.

• A good rule of thumb is aim to raise four times as much as you spend.

STEP 5
Promote your event

• Spread the word! The more people who know about your fundraising, the more money you can raise. Here’s some ideas:
  - Make sure you include all the key information: what, where, when, why and who.
  - Posters - use colourful photographs and strong graphics where possible.
  - Tell a story - keep it brief but make it personal. Tell your local newspaper and radio station about it.
  - Promote it online and offline – making a Facebook event and sharing this with as many people as possible usually works best for online.
  - A catchy or humorous title.

STEP 6
Make your event Safe

• Check out our FAQ’s and the Do’s and Don’ts document in our online resources section. These have information about health and safety, data and collection advice, as well as useful contacts.

STEP 7
Sending your money

You can either collate your funds online, offline via a sponsorship form from our resources section, or both. If you’re collecting funds via a sponsorship form or both. Remind people to tick the Gift Aid box that gives us 25p extra for every £1 donated at no cost to your sponsors. After your event, send us your money:

• Online - through justgiving.com or ycareinternational.org/give
  - You can also find us as a charity on Facebook Donate!

• By phone – call 020 7549 3175 to make a payment with a debit card

• By post – please make your cheque out to Y Care International and put it into an envelope along with some information about your fundraising activity, including your name and contact details. Then, post it to:

We have places at some events, or you can fundraise for us at any event where you have your own place. Here’s some ideas for individual challenges:

- Challenge yourself - cycle from London to Paris, run 100 miles over a month, take part in a swimathon... the possibilities are endless.
- Give up alcohol, coffee, chocolate (or something else you like!) for a period of time.
- Do a sponsored silence... shhhhh!
- Or even take a bath in baked beans

Think big and you might just be surprised at how much money you can raise. Here are a few ideas to get you started:

- Sweepstake
- Office Olympics
- Film night
- Guess the sweets
- Bring and buy
- Raffle – with prizes from suppliers
- Fancy dress

Phew!... Now, we hand over the creative reins to you. Follow our simple Seven Step Guide on pages 3-4 and you’ll be on your way to becoming a fundraising hero for Y Care International.

**Family and friends**

- Ask for a donation instead of presents on your birthday or special occasion – this is even simpler now thanks to Facebook Birthday Fundraisers!
- Donate for your Dinner – an excuse to get your friends and family together for a dinner party whilst raising money too.
- Host a Treasure Hunt for your friends and family with an entry fee - finish at a local park, restaurant or pub and the winner is the first one to make it to the end.

**Top Tip!**

Don’t forget to check with your employer and see if they will match your donation, helping you to reach twice the number of disadvantaged young people worldwide.
